

RESUME

ASHIEDU BAMISERE MICHEAL

PRODUCT DESIGNER & WEBMASTER

UI/UX Designer and Webmaster with the ability to design and to translate designs into functional Front-end. I have the ability to collaborate effectively with senior developers while spending extra time to be mentored. Will work closely with team members to ensure workload are effectively redirected to bottlenecks and personally picking up the slack when necessary. I have a passion for product designing, personal growth and software development. I am ready to apply my passion for designs and coding to a talented engineering team to design and develop quality product.
